ORIENTATION GUIDE

We extend a very warm welcome to you and hope your stay with us will be a long and happy one. We trust you will soon feel at home here and become part of the “Community Spirit” that already exists.

The following information has been prepared to orientate you and help you settle in.

1. The Complex consists of two Schemes – “Settlers Village” with 74 Cottages and “Settlers Rest” with 52 cottages, all on Sectional Title ownership.
2. Each Scheme is administered by its own Board of Trustees which is elected annually at the Annual General Meeting. They are assisted by a Secretary and Superintendent for the whole Complex.
3. The Finances are separate and are managed by Trafalgar Property Services.
4. Under the Sectional Titles Act, the roof, foundations, and outside face of the external walls of your cottage are common property owned by the Body Corporate (as an owner you automatically become a member.)
5. The owner/occupier of a cottage may not change or alter the external appearance of the property of their cottage without the written consent and approval of the Trustees.
6. For any fixture (TV Aerial/Dish, AC Unit, Solar Panel, water tanks, etc) fitted to the outside of the Cottage you must have written approval of the Trustees and the installation done by a professional.
